ROUNDING HOME ON THE HOME TOUR

The home tour is finally back! Our medical advisor recommended moving the date to spring to avoid some of the illnesses that were rampant in December, so we are debuting a new version: a home and lawn tour on April 29 and 30. We are planning a great weekend to connect with your neighbors and see how many of them are rebuilding after the 2020 tornado.

The format will be the same. Tours are Saturday evening from 5-9 and Sunday from 2-5. Your \$15 ticket will allow access on either day. If you don't quite finish on Saturday, you can come back on Sunday. Local restaurants are gearing up to bring you tasty bites at each of the tour stops, and other sponsors are lining up to contribute to our efforts to support local projects. Anyone who has not been contacted and

would like to participate with a sponsorship should contact Laura Hutchison at (615) 417-7503.

Some of the neighborhood efforts that we have supported through the home tour proceeds include:

- the expansion of Lockeland Springs Park-we donated \$5000.00 to the purchase
- the Shelby Community Center renovation of the kitchen and art rooms
- the Shelby Community Center recreation department's purchase of large-scale equipment for after school and summer activities
- a grant program so that all projects large and small can acquire funds to succeed

We have some wonderful neighbors who have committed their homes to the tour. We are still finalizing the list so if you are

interested in participating with either your home or your lawn, please contact the committee via Elizabeth Smith at (615) 668-7188.

We are excited to announce that Tony Hirsch of Artisan Build Construct is our presenting sponsor. They have helped restore one of our tour homes to its former glory from almost complete destruction. We look forward to sharing more of their work over the next weeks. If you are not following us on Facebook, start now to get all the details as they become available.

Mark your calendars! The home tour is a neighborhood favorite, and though it might look a little different this year (and be a little warmer), it is still going to be the same fun chance to connect with your community.

Lockeland Springs Clean-up

Mark your calendars for Saturday, May 20th, for a morning of hanging out and cleaning up our neighborhood along the way! Trash bags and trash grabbers will be provided. It will be a great chance to meet some neighbors and do a neighborhood service. So bring some friends and join us for a couple of hours of beautification! Exact meeting spot TBD. Please reach out to Clay Capp (clay@claycapp.com) with any questions!

As always, let's do our best to keep our beloved neighborhood looking good!

-Clay Capp

 - Tuesday (7pm-8:15pm), Saturday TBD
- Coed Volleyball
 - Thursday (6pm-8:15pm)
- Tot Time
 - Friday (10am-12pm)
- Home School Group
 - Friday (12pm-3pm)

GARDENER'S GUIDE

Greetings gardeners! Spring is on the way. Like it or not, your garden is going to look different this year. The deep freeze we had in December has wreaked havoc on evergreens all over the neighborhood. The experts are saying to wait and see how everything is looking when spring comes around. We have likely lost a lot of plant material, but there could be some surprises, so try and be patient before removing or cutting anything way back. Keep those fingers crossed. The good news is that you might be able to re-envision those landscapes that may have become stale over the years.

See below for a few thoughts to keep your yard in tip top shape as we get into spring:

- Get those designs in order for areas in need of replanting
- PLANT A TREE!
- prune evergreens(that havent been hit by the frost)
- overseed fescue and rye grasses
- consider leaf mulch in your planting beds
- re-apply mulch
- think about your veggie garden
- organize your garden tools for spring

Annual Membership Drive

The Lockeland Springs Neighborhood Association is a group of volunteer leaders and over 150 members who plan community events and raise money to invest back into Lockeland Springs and East Nashville. We organize large gatherings like Lockeland Lawns, a Holiday Lights Trolley Tour, a Home Tour, Tomato Art Fest swag booth, and quarterly neighborhood meetings.

Through yearly memberships and our local events, we award thousands of dollars in grants to local organizations including Holly Street Daycare and another neighbor who suffered catastrophic damage after the 2020 tornado, the Trust for Public Lands (to help create and maintain a new park in our neighborhood), and a donation to our local YCAP. Also, please remember to check in on our previous grant winners at the Shelby Community Center or along Shelby Ave and our beautiful arboretum.

If you would like to join LSNA (or renew your membership) and support all of our efforts, check out our website: lockelandsprings.org

Annual Membership Dues:

Individual: \$20

Household: \$30

Business: \$50

Kid's Corner

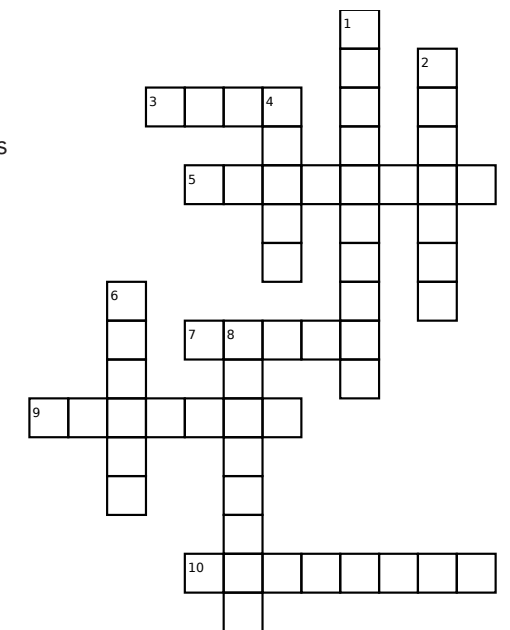

Neighborhood Crossword

Sunday, September 17 – Porch Party

October

Sunday, October 15 – Porch Party
Thursday, October 19 – Tentative Quarterly Neighborhood Meeting

December

Thursday, December 14 – Holiday Lights Tour

LOCKELAND SPRINGS SHINES BRIGHT

The 2nd annual Lockeland Springs Holiday Lights Tour was a success! Over 200 friends and neighbors showed up to enjoy the Christmas carols, trolley ride, and the lights of Lockeland. A portion of the proceeds were used to provide delicious holiday meals from Lockeland Table for the hardworking team of Firefighters at Station 14 on 16th, while additional proceeds will be used on future neighborhood projects. Special thanks to all the participants and to Urban Cowboy for being our host location and providing festive drinks for children and adults.

We look forward to continuing this new tradition for years to come, so start your lighting plans now and get in on the fun next year!
